STUDENT LIFE

STUDENT LIFE

Executive Board; Leaders Direct Student Activities

Marcia Michel, the second female ASB president in the history of West, presided over the Associated Student Body board meetings that were held once every week. She began her duties by attending many state meetings and student district councils.

What exactly does the ASB board do? Well to start with they serve as a link between faculty and students. They handle all requests for funds from school clubs and organizations, manage student government affairs. They also represent the student body in various activities like Student Government Day and Teenage Government Day.

Last summer several board members went to a student government camp, Camp Condor. Here, besides having a good time, they exchanged ideas and had a chance to meet other student officers.

Board members are, first row left to right: Jim Duggan, Mike Aguilar, William Gilli, Tim Rice. Second row: Terry Dudley, Cindy Parker, Lily Dandy, Susie Iriatani, Becky Davis, Laura Lopez. Third row: Judy Sullivan, Pam Shields, Bernie Kennedy, Irene La Perle, Marcia Michel, Mary Baird, Susie Morrison, Kathy Foster, and Mr. Meaders, advisor. Not pictured is Lorna Hislop.

Romance Sets Mood For Knights In White Satin

The traditional Christmas formal proved to be a huge success this year. The highlight of the evening was the crowning of the royal knight, John Sullivan and the fair maiden, Joan Ermigarat. Pictured below: a group enjoying the dance. Bottom: Junior princess, Donna Barnhard, Soph: Amy Davis, Freshman: Melissa Flippo. Rt. top: Royal maidens smile with joy. Center: John leads Joan to start the royal dance. Lt. top: Joan beams with joy as she dances the royal dance.

Homecoming First; Royal Pair Reign Proudly

This year's homecoming was exciting for many people. The homecoming festivities were successful all the way around. The senior class planned and sponsored many events during the week. There were tricycle races, tug-of-wars, and a contest to decorate the school. For some, there was the tradition of the court, which was broken this year in electing a king and a queen to reign over homecoming. The first royal pair in our history were Queen Marcia Michel and King Phil Kelly. Others were interested in the action against Highland. The mighty Vikings fell to the Highland Scots by a score of 19-13. Whatever happened though, it was a day to remember.

Members of the senior contingent in the tug-of-war between classes, Daryl Wolf, Steve Lee, and Vincent Mitchell are pictured as they pull their weight in a losing effort to the sophomores in a hard fought contest. Five spirited juniors, Rebecca Trimmer, Judy Koch, Denise West, Becky Napier, and Janie Konzack, ham it up for our yearbook camera during spirit week. The junior class won the decorating, as can be seen in the background. Marcia Michel and Marci Wheelan are accompanied by Les Draper as the halftime activities begin. Les also won a pair of panty-hose for the winner of the "Hairest Legs Contest."

The 1974-75 Homecoming Queen, Marcia Michel, is all smiles as she is crowned at halftime by Karen Houchin, who was last year's queen. William Gilli pours on the speed as he trikes on at noontime during the tricycle races. Joel Andrews as he is introduced at the homecoming rally. William and Joel were nominated for king by the seniors. Mike Aguilar, Karen Carter, Becky Davis, and Phil Kelly give us a smile as they are driven onto the field at halftime.

We Are, Together We Are, Together We Are The Mighty Vikings

One of the main efforts of the cheerleaders this year was the promotion of spirit throughout the entire school.

This was achieved by numerous pep rallies and skits. Poster parties and spirit letters also added to the spirit raising efforts at West High.

A new twist was added to homecoming week this year. This was the decorating of the two different quads by the four classes.

Much of the cheerleaders time was spent making posters, writing spirit letters and getting the Vikings fired up for their big Friday night games.

(cont.)

The girls spent a week at Pepperdine University where they attended a cheerleading camp. Here they spent a week learning new cheers, stunts and rally formats. The varsity song group was awarded first place at the end of the week, and both groups were honored with various outstanding ribbons in many different events.

The girls worked long and hard at practice after school everyday. Here they perfected their style and techniques.

Victor and Viki Lead Vike Victory Cheers For Sports

The traditional roles of Victor and Vickie Viking were held by Mike Agulier and Laura Lopez. They both did outstanding jobs of promoting spirit and helping to lead cheers at the football games.

Mike's costume was one of the most original we have ever had at West High. It was one that resembled the real Viking's style of dress.

Mike and Laura attended the cheerleading camp at Pepperdine with the rest of the cheerleaders. They were instructed on cheerleading techniques and various ways in which they could help the cheerleaders.

Pictured below: Mike leading a cheer at one of our circle rallies that proved to be a new and exciting way to do our rallies. Top: Laura smiles for the camera as she leads a cheer at one of our games. Laura is the center of attention at one of the skits, Vikie Powers, Suzy Wyant, and Robin Hodson are with her. Junior Varsity Cheers Spark Norsemen Team Spirit

The Junior Varsity cheerleaders started their first year off with an exciting victory. The girls attended a camp at Cal-State Bakersfield, here they learned new cheerleading techniques and the cheers themselves. Here J.V. yell won a trophy and J.V. song was honored with many honorable ribbons.

The girls participated in all the rallies and put on some skits. Pictured below: J.V. song: Robin Hodson, Suzy Wyant, Vickie Ellison, Suzy Tkac. J.V. yell: Kay Evans, Patsy Dickson, Amy Davis, Betty Davidson. Right: Rally candids.

All American Saga Valuable To News Students

The Saga staff is something for West to be proud of, they have received the All-American rating from the National Scholastic Press Association every year since West opened. The Saga is outstanding in the areas of content, photography, appearance, and writing. The twelve journalism students that composed the Saga staff worked hard to turn out fourteen issues, approximately every other Friday.

If you've ever been in T-14 on a deadline day, you would know the meaning of mass-confusion and busy people all getting the work done, and into the Bakersfield Californian in time for printing. Among other items, the Saga consists of editorials, news stories about activities around, about, and in West, interviews, polls, our very exclusive "Screen Scene" and pictures taken by their advisor, Mr. Nestor, with a polaroid camera. I think everyone will agree that it's fun to see the newspapers when they come out and that they come up with some really interesting articles.

Besides giving valuable experience for future careers in journalism, it also lets the students know what is going on. It contains articles about all subjects, from happenings at West, to local and national events that are of interest to the students.

Pictures: Lower left, the Saga staff consists of first row left to right: Bette Noroian, David Kraft, Kathy Fowler, Margaret Gavaldin. Second row: Tammy Greenelsh, Chyrl Sullivan, Jerry Brewer, Billee Browning, Steve Downs, Bernie Kennedy, Editor-in-Chief, and Mr. Nestor advisor. Not pictured are Chris Muller and Joe Welch. The International Dinner

This year's annual International Dinner was "a success", according to Miss Ellis, Spanish instructor. The night included entertainment and dishes from all parts of the world. Pictured above right: Mary Neal and Julie Barber select a Chinese fortune cookie. Shown below are officers of spanish club with instructor, Miss Ellis.

Stomp 'em in Powder Puff

In the annual powderpuff bowl this year, the seniors really got it together and cruised on by the juniors with a score of 28-0. Both teams held two weeks of practice to get ready for the game and learn plays. The offensive and defensive playing of the juniors was no match for the seniors. The touchdowns of the game were made by Sindi Steinbeck, Toni Decker, and Robin Jones. As always, the "cheerleaders" were there to bring some spirit to the game. All in all, it was a good time for everyone.

Academics

People Working Together

"You and I together," the theme for 1975, stands for students and teachers working together to open doors of opportunity and new experiences. For all students Freshmen through graduating Seniors, this means there will be an ever increasing demand for responsibility and leadership. Awareness of achievement will come to those who today realize that they have only begun to educate themselves, that high school graduation is not the end but the start of education.

Vikes Break Streak Too Late At End of Season

With determined talent, a battery of coaches, and spirited fans the "Green Machine," though having experienced a rough season exhibited the true Viking spirit by closing the season with decisive victories over the Blades and the Stars.

The preseason prospects for the "Green Machine" were bright as they welcomed a powerful and experienced Viking backfield. But injuries to Mike Kelly and Rick Brees, and inexperience of the offensive line diminished the hope of a winning season. The offensive unit, though plagued by these injuries and inexperi-

ence, regrouped to produce a devastating 75 points in their last two games. The coaches found the highlights of the offensive year in the individual contributions by Quarterback Bob Johnson Running Backs Joel Andrew, Mike Butcher and Rick Brees, Offensive Line Jerry Herder, Larry Hoff and Daryl Wolf.

The defense, with its "Prep-of-the-week" standout Chuck Holloway, provided the Vikings with the stubborn determination to stay close in every game. The "gridiron men" leading the steadfast defense were Vince Mitchell, Joe Welch, Steve Schaeffer, Rick Kopf, Kurt Kuhlman, and John Goforth.

The Viking kicking game proved to be an efficient asset to the team effort as Steve Schaeffer kept the Vikes in good field position, with his 38.3 yards per kick and George Cappello booting PAT's with consistent accuracy.

Super Season - Top Coaches Norsemen S.Y.L. Co-Champs

Improving with each contest, the Norsemen moved on to a winning season as SYL Co-Champs. With only one loss in a pre-season game, the Norsemen came through with a first place league tie with Foothill.

Under the coaching of Richard Tucker and Dave Titsworth, the Defensive Team showed outstanding abilities, allowing only three touchdowns in league play. The offensive unit also showed excellent qualities. They ended the season as the highest scoring team in the league.

As practice opened, the team had a fine spirit, with a willingness to work hard and together. Not only was the team strong, but they had firm belief in their

own capabilities.

Although the team as a whole showed great abilities, outstanding players were Damin Banducci (48), Ed Turner (82), Dave Harris (74), Pat Kelly (10), Brent Dezember (35), Bob Mason (51), and Rick Grove (89).

The victorious Norsemen brought a lot of spirit to the fans. Cheers and screams were heard everywhere each time the Norsemen made another touchdown. The success of this year's Norsemen team suggests that the future of West's football team will be especially promising.

Frosh/Soph Carry Away Tie For First in League

Filled with great excitement for the new season, the frosh-soph team ran into the 1974 football season. With great expectancy, the team, though small, carried away a tie for first place in the league.

Throughout practice and during the games, spirit ran high among the mighty players. They worked long and hard to be victorious. Under the leadership of Coach Lauria and Coach Zajac, the team stayed together as one unit.

The Defensive team played outstanding throughout the season. Allowing the fewest points in the league, the team charged fiercely against every opposition in the league. They intercepted fourteen passes, five by Mike Kelly and

five by Bruce Scurlock. Outstanding defensive players were Scott Whitley, Rod Goodman, Steve Sullivan, Wade Ray, Bill Beechinor, and Mike Bolinor.

The offensive team also had a great season. Scoring 164 points this year, the biggest weapon used was passing. Quarterback Bruce Scurlock through ten touchdown passes. Outstanding players were Bruce Scurlock, Nick Gonzales, and Eddie Finney.

Throughout every game the fierce team showed that they could work together to be victorious. The success of the frosh-soph team predicts the success of next year's Norsemen team.

West High Harriers Take Up and Down in Stride

What looked like what was going to be a very successful season for the Varsity Cross Country Team turned out to be a little disappointing. Ending the dual meets with a 5-1 record the Harriers expected to do very well in the SYL League and ended up receiving fourth. They also netted a fifth in the Area Qualifying Meet and fourth in the Valley. Though disappointed, the Vikings can be proud of a job well done.

The Harriers opened their 1974 season by upsetting the favored East High 26-30. It was the only time in history that the Vikings had beaten the Blades on their home course. David Reil, David Morledge, and Rick Reynolds turned in the top three times for the Vikings that day.

Against Foothill and Wasco, West managed to grab third through sixth place to guarantee their win. David Reil again led West's pack scoring well at third place.

In the "Battle Between the Unbeaten" with West going against B.H.S., the Vikings lost some footing scoring 49-26 to the Drillers. Crossing the tape first for the Vikings that day was Rick Reynolds.

The Harriers had a good showing at the Invitational this year winning two out of three and placing fourth in the third.

"Competition this year was as tough as ever," commented Coach Jim Wren. "If we had had this same team the last two years we would have won the league."

Overall Coach Wren felt that this year's Cross Country Team was probably the fourth best team the school has had, having three Valley Championship Teams the years before.

Frosh/Soph - Runners-Up; Placing Second In League

West High's Frosh/Soph also turned in a good season for their school. This young squad earned a 5-1 record for the year and received an impressive second in league to end their season in good standing.

West scored its first win ever over East in Frosh/Soph action scoring 18-45. Robert DeYonker was the individual winner for the Harriers.

Against Foothill and Wasco, West came out second behind Foothill. Frank DeMario was the high scorer of the day for the squad, placing third.

Frosh/Soph suffered their first and only dual meet loss to B. H. S. Robert DeYonker finished first though, with the winning two-mile time.

J.V. And Girls' Teams All Compete Though Incomplete

This year's J.V. squad was sparked by Sterling Wilson and Richard Low. Despite less than a full team, these young men chalked up some fine finishes.

For the winless Harriers, the races were close and exciting. It was a hard, long season which had many fine performances. These now experienced runners will add much to the Varsity team next year.

Marci Muller had a hard time this year containing the girls' SYL team. Despite last year's track injury, Marci was one of the top in the league. Denise Patterson and Tracy Lynn rounded off the female Harriers. Denise being hurt early in the season hindered the team, but with Tracy on hand the job was well done.

Spirit Good - Season Slow

The West High Vikings suffered from a lack of experience, and height according to their coach Jim Wren, but they continued to improve as the season progressed. "What they lacked in size, they made up for in hustle and a lot of spirit," their coach said.

The team was lead by three seniors who were the back-bone of the team. They were Rick Kopf, Bill Mosely, and Vincent Mitchell. The two top scorers of the team were Mitchell and Mosely.

Norsemen In Action

The Norsemen basketball team, coached by Ron Lauria, gave a good performance in all their games. Many of the games were determined by only 1 or 2 points. The Norsemen were small, inexperienced and inconsistent with some games plagued with turnovers and fouls. "I teach the boys to play aggressive, and sometimes they have a lot of fouls", stated coach Lauria.

Frosh-Soph Competition Close And Exciting

This year's Frosh-Soph team, under the coaching of Don Gabbitas, had an exciting season. Although not all the games were won, the fierce team strived on.

The team showed intelligence as well as a good attitude toward the game. They had good rebounding and learned the plays quickly. The games were filled with excitement, and were usually close sometimes going into overtime with a single point determining the outcome of the game.

The leading shooter of the team was Ken Iritani, the leading rebounder was Leonard Larson and the best all-around was Scott Douglas.

Coach Carol Humphrey's Girls Swim Team came through in incredible style again this year. Their diligent practice and hard work paid off throughout the season.

Over the past four years, the Vikettes have won every single dual meet and have four consecutive SYL Swimming Champs Titles to add to their fame.

This year the teams talents were led by Julie Foss, Toni Decker, Cheryl Sullivan, Cindy Atkinson, and Tara Sullivan. Diving high for the team were Marci Wheelan, who also swam, and Kerry Kelly. The team was the largest in years allowing them great depth in all events.

Viking Mermen Float To The Top Of The SYL League

The powerful West High Vikings Swim Team kept right on rolling this year despite the loss of many last year seniors. They too carried a lot of depth with a strong team of forty men.

In varsity competition, Jon Lifquist turned in good times in the 200 Free and the 100 Free to lead the Vikings. Rick Mills and Greg Gibbons also turned in good times with Rick often winning the backstroke and Greg the 100 butterfly and 100 Breaststroke. Mike Kelly did very well this season in the 200 Individual Medley and the 500 Freestyle. The team worked hard this year and rightfully earned themselves the title of SYL Swimming Champs.

Pictured at far left: Kenny Butcher, freshman, shows his style in the butterfly. Coach Owen Nelson and his all-male harem. Mike Ross pulls it out in the breaststroke. Top left: Steve Bacon dives high to victory for his team. Jon Lifquist takes to the water with hopes for first.

First Spring Matches

West High golfers teed off to a good start for their '75 season with a win over the Highland clubbers. At press time, according to coach Gabbitas, this should be a very good season.

Happy Days, Here Again

50's day celebration was enjoyed this year by students as well as faculty. The costumes were right out of the 50's and the spirit was really boss too! Top Left: Fonzy (Kevin Thorpe) is the cooooooolest cat at the school. Top Right: "Wow man, look at that boss guy!" yell Suzy Tkac, Susie Wyant and Mary Baird as they chase after Fonzy. Middle Left: A few girls show off their new clothes. Middle Right: Patsy Dickson, Laura Lopez, Stephanie Ennis, Kathy Foster, Kay Evans, and Becky Davis pose for the camera. Lower Left: Eric Bradshaw and Larry Hoff say, "Hey". Lower Right: Mike Ruder, Les Draper, Tom Dandy and Eric Bradshaw sing 'Betty Lou, Betty Lou' during the 50's day skit.

Seniors Are Togetherness in '75

The senior class of 1975 this year has really pulled school spirit together. Togetherness helped make the homecoming activities at our school more eventful and exciting than ever. The tricycle race and tug-of-war, attracted all of the student body. Homecoming week was brought to a climax when every class in an all out effort to win the competition decorated the entire school.

This years seniors have planned a bar-be-que at Park Stockdale, and for graduation not only a Ragnarock but also a trip to Disneyland. All of these great activities are to be attributed to our class council, that consist of, lower right picture top row from left to right; Dave Morledge, Lyle Wyatt. Middle row: Cheryl Barnhard, Kerry Olson, Phillip Kelly, Stephanie Ennis, Bettie Norian, Mike Ruder, Jeri Peerena and Mark Arslan. Lower Row: Dru Hanson, Sue Holbrook, Kyle Dorsey, Marci Wheelan and Melinda Arslan. Lower picture Our executives. Upper left: A group of seniors posing for a Homecoming day picture.

SENIOR CLASS

Pictured above are our Junior class representatives and class officers:

President, Suzy Morrison; Vice President, Margaret Gavaldon; Secretary, Susanna Iritani; Treasurer, Wendy Winslow; Representative, Susan Murotani. Rowdy bunch? True.

The Junior class was so active this year, that it was hard to get them all together for their picture.

They started off the year with a victory over last years Juniors with the magazine sale, with over \$6,000.

Homecoming came around with the Juniors demonstrating their talents by winning the decoration competition. Many hands were glittery with green and gold, when the class rings were gladly handed out.

The highlight of the Junior year has always been the Junior Senior prom, another success.

Sophomores Keep on Smiling in 1975

This year the sophomore class has helped out a lot with school spirit. They won the yell competition at the rallies a number of times. They supported all the Homecoming activities by seeing which class was the most spirited at the rally, they won the "tug of war, and participated in helping decorate the school with a creative touch, painting posters at the poster parties after school.

Freshmen Start In Their Begin- ning Years At West High

The freshmen class of '78' elected Cindy Parker as their president, Tara Sullivan; vice president, Karrie Kirschenmen; representative to the A.S.B., Shelley Brown; secretary and Marianne Oddo; treasurer. The two devoted class representatives are Scott Whitley and Jill Hodson.

The class showed a lot of spirit at the rallies and helped at a lot of poster parties. At yell competitions, during rallies, freshmen weren't too loud but after a while they got the hang of it and now they could challenge anyone. During Homecoming activities, they put up a good effort to try and win.

As usual, the freshmen class carried out the Toys for Tots campaign. They did a very good job.

Eighty-two Faculty Members Offer Many Different Classes

This years faculty did a great job teaching in subjects from writing essays to finding problems in cars and fixing them. West High teachers have available to them many forms of teaching aids such as vidio tape and television, movies, slide shows and film strips. In the science department there are models of bodies, solar systems and other things to help the teachers get their point across. Students learn by experience in many classes. Teachers are still thinking of new ways to teach.
